

Notes from the SAUCNA committee meeting held on November 4<sup>th</sup> 2013.

Plans for the 2014 Rep teams are in motion. The CANA carnival will be held in Tasmania.

We have a fully computerized central timer for this summer season and it is now up and running. Thank you to Graham Vincent.

As of the 15<sup>th</sup> November, scorers for all of the U13 teams will be asked to choose a best and fairest for the Dean Lawrence Award, instead of the umpires. Hopefully we will have a higher rate of returns.

#### Re-enforcement of Rules

All coaches must stay to the left of the umpire; including U8s and U9s; during all games. The umpires of the U8s and U9s will help the players if needed. Parents are to encourage the players but are not to coach.

No bike shorts are to be worn as per the rules. Boyleg shorts are allowed as long as they are shorter than the uniform and definitely not visible.
