

ST MICHAEL AND ALL ANGELS NETBALL CLUB:

Overview of COVID-19 match day procedures when attending Retallick Avenue, Marleston.

- We have 5 courts available for matches at Retallick Avenue Marleston.
- Court allocations will be clearly displayed upon entry.
- While we have not stipulated a number of spectators per player, we request you please attend no more than 30 minutes prior to your match. This will minimise the risk of too many people being present at cross-over time.
- QR codes are displayed prominently around the venue, please use these to check in.
- SAUCNA Contact tracing forms will also be provided to all teams and will be collected by our Court Supervisor at the completion of your match. This will ensure that we meet our obligation to capture all attendees – players, officials and spectators. These forms will be securely stored in accordance with the Emergency Declaration requirements and destroyed after 28 days.
- Please apply hand sanitiser on entry, and practice physical distancing at all times.
- Please leave the venue as quickly as is practicable after the completion of your game.
